President's Message:

Welcome everyone! Thanks for coming out and participating in this year's Family Winter Carnival and "Get To Know Your Neighbourhood" Event.

I am pleased to announce that 31 businesses within Hazeldean are represented in our first business edition. The league will expand this, at our next social event (hopefully this fall), and incorporate the home-based businesses within Hazeldean Community. If you have a home-based business and would like to participate, please e-mail us at hazeldea@telus.net or leave message at 439-0847. Our initial thoughts are to offer the hall to all home-based businesses in Hazeldean Community for one Saturday to market and network. Your suggestions and comments on how you, as a home-based business, would like to see this done is welcome.

Hazeldean has two committees on the go right now: The South Wood Development Committee – this civics' issue will impact the community, and, the Grounds Redevelopment Committee - in the drawing stages of this project; parking lot, additional park and recreation space, outdoor stage, and landscaping are in the plans.

As with every worthwhile non-profit society, volunteers are the driving force to its success. If you would like more information, consider yourself invited to attend one of our general meetings (2nd Tuesday in September, January, and May). I'd like to thank the board for their dedication to making positive improvements. Hazeldean is a vibrant place to live. Also, I'd like to acknowledge our staff: Steven, Barbara, and Leslie for their excellent service.

As you can see from our business card, our hall is an excellent facility for holding functions and meetings. We presently have a Karate Club and a Persian/Belly Dance Group that regularly use the hall for their classes during the week. A project in the works is the redevelopment of the skate shack into another meeting room. We would like this space to be made available first to our members for their smaller gatherings (eg. child's birthday party, a few families getting together for a BBQ, etc.).

Sincerely,

Corine
